

## Technology transfer cum awareness programme for the local community

One day technology transfer cum awareness programme was organized on 11 September 2016 at Market place, Teok, Jorhat to create awareness among the local community about the value added products from locally available fruits, technology for value addition, and health benefits of consumption. About 14 different value added products prepared from *Carallia brachiata*, *Dillenia indica*, *Flacourtia jangomas*, *Garcinia pedunculata*, *Spondias pinnata* and *Morinda citrifolia* (Noni) were displayed and explained to the public.

There was an overwhelming response for the programme. About 50-60 people from adjoining 22 villages interacted with great enthusiasm. The members of the team were Dr. T.N. Manohara, Dr. S.C. Biswas, Mrs. Nibedita Baruah, Shri Jagat Baruah, Ms. Gayatri Gogoi, Ms. Dingsmit B Sangma, and Shri Hrishikesh Sarmah.
